

Pauline Shirley works with organizations to build employee performance, and in turn, increased productivity and profits.

What clients have said:

Pauline's leadership has you jumping through fiery hoops before you realize there is danger or your pants are on fire.
Carroll Burgoon, Author and Artist

Pauline, that woman with a blowtorch. She fires us up, encourages us to change, and holds us accountable for our own professional growth and actions.
Eric Engelmann, Euclid One, Inc.

Participants found you marvelous, outstanding and very helpful!
Kellie Henry, Axis Dental

Thank you for your wonderful presentation. It was very beneficial to our business!
Johnetta I. Ingram, Vartec

Pauline, you are awesome!
Barbara Fitzgerald, ABWA

Pauline has an international track record of success in building leaders. Sharing her expertise results in better supervisors, managers and leaders who motivate others to higher productivity.
